DIRTY Soul

→ Samuel Langer je 23letý student, který kromě studia a práce na částečný úvazek tráví svůj čas s přáteli a sportem, na kulturních akcích, nebo jen na pivu. Mimo to se zajímá i o umění a módu, za kterou neboji si připlatit, pokud je to obléčení, které nejen dobré vypadá, ale také funguje. Právě jeho skutečně jedinečný styl, protáhla a svobodná postava, všechno vychází z jeho prací obdovje. Samuel ale chce podpořit své oblíbené kreativce i jiné. To mu umožňuje znacka Dirty Soul, která nabízí práci umělců, které sleduje, vytiskněné na obléčení. Díky tomu má možnost si od tatuř koupit něco jiného než tetování a zároveň svůj šatník rozšířit o kousky, které ladí k jeho životnímu stylu, jsou limitované a z kvalitního materiálu.
